

Treasury Management - Fundamentals

Enhance your Skills

Deepen your treasury knowledge with the Fundamentals Path of our upcoming Treasury Cursus starting in October 2024!

This recognised, hybrid cursus will provide you with all you need in order to apply knowledge and bring value to your company the next day.

- **Blended and hybrid learning**
- **Including e-mentoring and teamwork**

Topics covered:

Introduction to Treasury Management

Cyberfraud

Risk management

Banking Relations

Payments & Cash Management

The training will be certified by an exam.

This course will be conducted in English by a mix of academicians and practitioners, held both on-site at the House of Training premises in Luxembourg and remotely during evening classes.
